

TLED-PL10D BELOW
WITH USA FLAG OVAL PROJECTION

6 COLOR INTERIOR LED DOOR LIGHTS WITH LOGO PROJECTOR

Get the ultimate upgrade courtesy of TRUX and the All New 6-Color Interior LED Door Light with LED Projector Logo for Kenworth & Peterbilt Models. This interior door light has it all including a multi-color LED light that projects a crisp & clear logo onto the ground - never before seen in the Trucking industry!

This interior door light truly packs a punch, with its quick installation - simply replace the OE Lens & Bulb and enjoy various lighting color functions ranging from White/Amber/Blue/Green/Purple and Red. Set any of the Multiple functions to memory recall and be the first to show case this little gem. Available in 4 logo projector options such as, USA Flag in Oval or Rectangle, 'Large Car' and Military.
